Dear Members of the Common Council,

The proposed change in personnel within the Purchasing Department will allow the department to operate more efficiently with the same number of personnel while cutting costs. At the present time, the department consists of a director, an assistant director, a bid specialist, two buyers and a receptionist/data entry clerk.

With the addition of a Secretary VIII/Buyers Assistant and the elimination of one buyer position we can better meet the needs of the department. This would be a confidential position handling the paperwork created dealing with legal bids and sealed quotes.

Thank you for your consideration.

Sincerely,

Dee Densel, Director
City Purchasing
